

# *Chancellor's Office Update*

Patrick Perry

Vice Chancellor of Technology,  
Research, & Information  
Systems, CCCCO

# *Presenters*

- Patrick Perry, Vice Chancellor
- Willard Hom, Director of Research
- Alice VanOmmeren, Research Specialist

# *Patrick's Update*

- Due to fabulous managers and staff, Patrick has focused on advance planning & state/national representation of CCC's interest
- Focus on minimizing data collection burden, leveraging existing data, advancing CC progress metrics nationally

# *Federal Initiatives*

- IPEDS Technical Review Panels
  - New Race & Eth Standards
  - Finance Survey/Collection Schedule
  - Collecting Noncredit Activity
  - Collecting Distance Ed Activity
  - GRS for part-time & Pell/GRS-200
  - HEOA: Spending Chart, Tuition Calculator, Net Price
  - Improving Completions Survey

# *Federal Initiatives*

- NPEC (National Postsecondary Education Cooperative)
  - Institutional Groupings Workgroup
  - IPEDS-GRS Workgroup
- Federal “Alternate Measures of Success” Committee

# *Federal Initiatives*

- American Association of Community Colleges (AACCC) “Voluntary Framework of Accountability” project
  - Seeks to create common CC outcome metrics across all 50 states and systems

# *Federal Initiatives*

- Common Data Standards project (DOE)
  - Seeks to create a common set of data standards/elements across K-20 nationally

# *State/System Initiatives*

- **K-20 Database Project**
  - SB1298 called for State CIO and LAO to convene stakeholders to examine technical feasibility/ governance models of creating K-20 data system in CA
  - JPA concept; awaiting possible federal funding, necessary for many future federal funding opportunities

# *State/System Initiatives*

- SB1298: integration of K-12 “CSIS\_ID” into CCC systems
  - Start with fuzzy match, go from there
- CCCApply/MIS: Collection of “special populations” table (incl. first gen status, veterans status, other status)
- CB21 Course Prior to College Level project

# *State/System Initiatives*

- Centralized Assessment
- E-Textbooks
- Common e-Libraries Core Collection

# *System Initiatives*

- 3 Studies:
  - Behavioral Clustering Study of Students
  - Participation & Success Study of 50 CC Systems: Factors of Success
  - EdSource: Basic Skills Pathways
