

# Strengthening Student Success Conference 2026

Criteria	Fully meets	Could meet w/ modification	Does not meet	Reader comments & suggested changes: - If fully meets, how? - If it could meet with modification, how? - If it does not meet, why not?
1) Proposal pertains to the specific focus outlined in the strand description	-	-	-	-
2) Proposal has relevant learning outcomes that are clearly communicated	-	-	-	-
3) Proposal is grounded in evidence (either from the campus or the field in general)	-	-	-	-
4) Proposal includes practical examples of how colleges can improve student success	-	-	-	-
5) Proposal demonstrates equity-minded and race-conscious practices	-	-	-	-
6) Proposal includes specific learning strategies to help participants strengthen connections between session topic(s) and their own practice	-	-	-	-
7) Proposal adds to the strand overall as theory and/or framework, an example of practice, with a strong use of data, or a case of student voice	-	-	-	-
8) Given how many good proposals we receive that we can't accept, if you feel this proposal should be given extra consideration, please explain why. What makes this proposal especially strong? Is there something in particular about this session you would highlight? Does it have a particular quality that would strengthen the strand?	-	-	-	-
